As Jim Caulfield, Perry News says: The Three Sisters Barn was born of the marriage of nostalgia & hope thus inspiring the building. The old gray barn, on the home place, had passed its time, so build a new barn suitable to share. Completed Apr. 2019, it united love for the past with love for the future under 1 roof. On the working Baldner Century farm, it is available for a wide variety of events.

MUSEUMS, ARTS, PARKS Check each information for times open:
